to an
Academic
Feast**

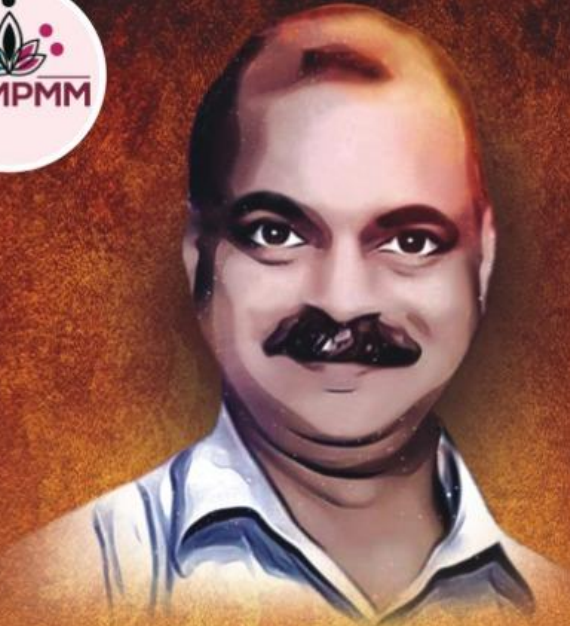

DR. PARAG PATIL MEMORIAL ESSAY COMPETITION

TOPIC

How can Sexual Medicine as a Clinical Specialty become part of the mainstream curriculum for medical studies at undergraduate and post graduate level in Indian Medical Education System?

OR

What changes need to be implemented so that Sexual Medicine as a Clinical Specialty is included in the curriculum for undergraduate and postgraduate medical education in India?

Dr. PARAG PATIL

We lost a gem during the first wave of Covid19. Dr. Parag Patil was a pioneer in sexology and a guide and mentor to many of us. He was a founder convener of IASMPMM and we miss him. We will always remember him fondly and pray for his blessing in all that we do. We dedicate this essay competition to his memory and academic contribution to the field of sexual medicine.

Under Graduate students, Interns and Post Graduate Medical students can compete. Separate prizes are allocated for each category. Special passes for upcoming conferences will be included in the awards.

Prize

PG and Interns

Rs.25000 /-

Special gifts are waiting for you

Notification for Essay Competition

IASMPMM invites undergraduate and Post Graduate Medical Students to participate in an essay competition with a difference. Rather than a boring academic topic, we invite you to submit an essay about the practical application of education in Sexual Medicine for future generations of doctors in India.

We invite you to demonstrate your leadership qualities, independent thinking, your creative and lateral arguments, reasoning, critical analysis and persuasion when exploring the topic presented to you for the essay competition in 2023.

Certainly, this essay competition will challenge you to think beyond the confines of your medical curriculum and give you an opportunity to shine as a thought leader. Your essay will be judged by an expert panel of Sexual Medicine practitioners, teachers and thought leaders.

The essay competition is open to undergraduate students, interns and postgraduate students of modern medicine. We invite you to participate in large numbers and win these amazing prizes.

The top three essays will be awarded exciting cash prizes as well as entry passes for upcoming conferences.

The top prize-winning student will get an opportunity to present his/her ideas at the next conference and get visibility and recognition in front of a wide and receptive audience. So, put on your thinking caps and submit your essay before the
